About Oracle

The Oracle Cloud offers complete SaaS application suites for ERP, HCM and CX, plus best-in-class database Platform as a Service (PaaS) and Infrastructure as a Service (IaaS) from data centers throughout the Americas, Europe and Asia. For more information about Oracle (NYSE:ORCL), please visit us at oracle.com. Prior to consideration for a position opportunity, Oracle requires candidates to register for their respective targeted position at oracle.com/campus > Quick Apply. As part of Oracle's standard employment process, candidates will undergo a complete background check prior to an offer being extended. These background checks are conducted by a professional third party firm at no charge to the applicant and include: prior employment verification, education verification, social security trace, criminal background check and motor vehicles records (where required for position). Oracle is an Equal Employment Opportunity Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, sexual orientation, gender identity, disability and protected veterans status or any other characteristic protected by law. Oracle will consider for employment qualified applicants with criminal histories in a manner consistent with the requirements of San Francisco's Fair Chance Ordinance. Oracle 500 Oracle Parkway Redwood Shores, CA 94560 [Oracle.com](https://oracle.com)
